

NOTICE OF EVENING PRESENTATION – MAY 15, 2013, 7pm

TOPIC:

BCSA 10 YEAR STRATEGY – as it relates to Risk Management

Presenter: *CATHERINE ROOME* P.Eng. FEC

President and Chief Executive Officer, BC Safety Authority

Presenter's bio:

Catherine Roome believes that people have an extraordinary capacity to contribute to a vision they believe in. Becoming President and Chief Executive Officer in April 2011, Catherine applies her broad experience from other organizations -- and in particular her acumen for risk management -- to delivering BCSA's vision of safe technical systems, everywhere. A creative, principled leader, Catherine imagines a better future: the team at BCSA is building physical and virtual networks to connect all those who use, work with or operate technical equipment. She is focused on sharing and building on each other's knowledge because this is what will advance safety. A professional engineer, and recipient of several business and leadership awards, Catherine received her degree in electrical engineering from the University of Victoria.
