

NOTICE OF EVENING PRESENTATION –

Wednesday 18 November 2015, 6:30-9 pm

Venue: HSBC Hall C680 at UBC Robson Square, Vancouver

TOPIC: **INNOVATIVE BUILDINGS AND STRUCTURES IN MIDDLE EAST**

Speaker:

Eric De Fleuriot de la Coliniere, P.Eng.

The presentation will provide an overview of spectacular bridges and buildings under construction or on drawing boards in Dubai, Abu Dhabi and Doha in middle east countries UAE and Qatar. We will see how boundaries in design and construction are pushed in this region. Speaker Eric De Fleuriot De La Colinier worked in the region for 5 years and has first-hand information on the subject. Don't miss!

Also a great opportunity for networking among engineers from various disciplines and background.

Speaker-Bio

A bridge specialist engineer for 35 years Eric's career began in South Africa and progressed to Canada 15 years ago, currently with Associated Engineering (BC). Eric worked full time for 5 years in Dubai (UAE) and in Qatar during the early 2010s' as a lead bridge consultant for the Ministries engaged in planning of sustainable maintenance procedures for bridge infrastructure at large. The innovative procedure is attracting interest in Canada through Eric's leadership.

REGISTER: Please phone **Carine** at **604-931-2201**, or email adminmail@wcgce.org by end of **Tuesday 17 November** to reserve a seat. This event is provided **free of charge**, includes a coffee/snacks table and welcomes all interested members and guests.
