

Chartered Engineers Pacific

(Western Canada Group of Chartered Engineers)

<http://www.charteredengineerspacific.ca>

NOTICE OF EVENING PRESENTATION Wednesday, 17th October 2018, 7 to 9 pm

Venue: Conference Rooms, Accent Inns, Burnaby
3777 Henning Drive, Burnaby V5C 6N5 Tel: 604-473-5000

Topic:

The switch from ICE Vehicles to Battery Powered Electric Vehicles (BEVs)

Speaker:
Bruce Stout

Director of Vancouver Electric Vehicle Association

_Outline

- Advantages of BEV ownership
- Are you ready to change to BEV ownership?
- Survey of Vehicles available
- Helping to manage the change to BEV ownership

This will be your opportunity to learn about the accelerating adoption of BEVs and the rapidly growing selection of Vehicles. Compelling BEVs are here now and you need to plan for your ownership.

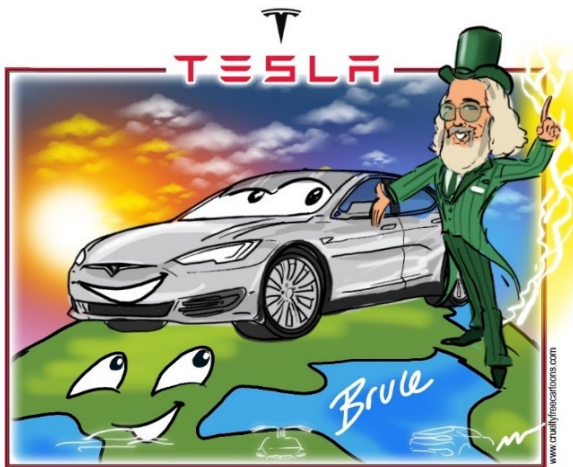

BIOGRAPHY

Mr. Bruce Stout has spent the last 70 years learning about technology. After a long career in technical sales of Photographic, and Computer equipment, Bruce has spent the last 10 years learning about BEVs or Battery Powered Electric Vehicles. BEV ownership is the best teacher to help you understand this technology and eliminate range anxiety.

Five years ago, Bruce and his wife Susan purchased their first BEV and they have driven more than 227,000 Electric kilometers since then. In May 2015, Bruce and Susan embarked on their 17,895 km return trip across Canada, from North Vancouver to Halifax Nova Scotia. Upon their return to North Vancouver in June 2015 they were declared the winner in the E-Mazing Race which was a rally to use the most Sun Country Highway branded BEV Charging Stations in Canada.

No Registration Required:

50 seats are available, *first-come-first seated*. This event is provided free of charge, includes a coffee/snacks table and welcomes all interested members and guests.

Excellent opportunity to network among multi-discipline engineers and others!
